I understand that I am not a TREAC employee. I am an independent contractor. This means that even though TREAC provides funds for travel, I am responsible for my own actions. I am not covered by worker's compensation insurance or any other benefits provided by TREAC.

However, if I am an employee of the United States Veterans Administration on authorized absence, this document does not exempt me from any Veterans Administration benefits which I would otherwise be eligible, i.e., worker's compensation benefits or other applicable benefits.
